Be sure to check-in and get an ACF scarf for your dog(s) at the front gate. This is our system to indicate to ACF staff that your dog is registered with us. Also, for your convenience, we provide plastic bags; pick one or more up with your scarf at the front gate. Registered dogs should arrive by 2pm at the festival for check-in. The Celtic Dog Parade will be at 3pm each day.

We will have water for the dogs as well as additional waste bags to clean up after your dog at the animal area. Gather at the dog area about 15 minutes before the parade is scheduled to begin.

Keep your dog on a leash at all times. Do not go beyond the festival area with your dog. Access to the restricted area of Pioneer Farms is absolutely forbidden. Their livestock and animals are very good at killing smaller animals and can mistake yours for coyotes or prey. Pioneer Farms may also contain snakes, beehives, bobcats and other dangers to your dog. Keep them on a tight lease and do not let them explore undergrowth, woodpiles, etc.

Please be respectful of the crowded conditions with small children. If you see that your dog needs to relieve him/herself, try to take your animal to a less crowded area. Clean up solid waste that your dog leaves behind.

PARTICIPANT does hereby agree to hold harmless and indemnify the ACA, staff and volunteers as well as the Jourdan Bachmann Pioneer Farms from any and all liability, loss, damages, costs, or expenses which may be sustained or incurred arising out of the actions of the undersigned and their pet/property during the course of the festival.
